

## **Even with renewable energy, we still need you to renew your lottery ticket**

Running the 102-year-old Memorial Hall is an expensive business with fixed annual costs of more than £20,000. This year, in addition to our usual maintenance, we have to replace the gas heating boiler for the entrance foyer, carry out extensive tree work, repair a redundant chimney stack and fix potholes in Milton Fields. We are also installing a solar panel and battery system, thanks to grants from the National Lottery and the HS2 Community and Environment Fund, which will cover the costs in full. The solar panels will reduce our high electricity bills and improve our carbon footprint. We are doing all we can to ensure this vital village amenity remains an attractive, well-maintained and competitively-priced venue. But even with some renewable energy, we cannot do it without you. We hope you will renew your lottery ticket and we thank you in anticipation.

### **At least two prizes of £50 guaranteed in our first draw on March 25th 2026**

The monthly lottery costs £12 for the year. That works out at a mere 3.2p a day, with the chance of winning a cash prize every month. Once again we'll be giving away around 20% of the pot. Last year we sold 345 tickets and awarded 61 prizes totalling £1,062. In any case, we guarantee two prizes of £50 in our first draw on March 25th 2026. We'd like to give away even more. And we can if more people play. We appreciate times are hard, but please could you buy an extra ticket this year?

### **It's easy to renew... Your name is already on the form. Please pay by bank transfer, if possible.**

Decide how many tickets you want and return the form to us. We prefer bank transfers as they save us money. Our details are below. Otherwise, please make cheques payable to: **Chalfont St Giles Memorial Hall**. If you have any queries, call Tony Hoare on 01494 872883. We will send your tickets as soon as possible. As long as we receive your application by March 25th 2026, you will be in the March draw. Don't worry if your lottery number arrives after that date.

## We've given away around £30,000 in prizes and raised £135,000+

Our lottery began in 1995 and to date we've given away more than 2,000 cash prizes worth around £30,000. Many people have won more than once - particularly those that hold more than one ticket. Better still, we have made more than £135,000 profit. It's so easy to play, we do hope you'll sign up again. Do you have any friends or family who would like to play?
